Mrs. Alvira B. Merwin
716 North Drive
Cheyenne WY 82001

Dear Mrs. Merwin:

Back in September, 1981, I talked to you on the telephone and you told me you had already sent me all the information about your family and your childrens' families.

Since then I have diligently search through my files, but I have been unable to find your letter. I don't recall receiving it, but I receive quite a bit of mail daily and it is entirely possible I did get it. Be that as it may, I do want to have your family completed in the Supplement. Accordingly, I must ask you to send me the information again.

Enclosed is a draft of your entry which is complete except for a biography of your husband and you. Please tell me 1) where attended school, year graduated
2) occupation
3) employer
4) civic, church or military service

Also enclosed are record sheets for each of your children. Please have them complete & return them.

Best regards,

Merwyn

Dear Alvira:

It was indeed a pleasure talking to you the other night.

Enclosed is a copy of your family entry as it appears in the Merwin Family in North America. As you can see, it is not very complete. We are rewriting the 10 th. generation Chapter in the supplement, so, we have a chance at completing it properly.

Will you please fill out the enclosed family record sheets for you and your children? In addition, I'll need a brief biography of you and your husband. (Schools attended, degrees, occupation, employer, church & civic activities, etc.).

Incidentally, a couple of years ago my wife, Betty, and I stopped in Cheyenne overnight at Little America. We thought that a fabulous place.

Best regards,

Merwyn

Dear Cousin:- I really am sorry that it has taken me so long to get this information back to you. My health is not good at best and I caught the flu bug that was going around at Christmas time. - Seemed that I just couldn't get rid of it. Finally developed pneumonia. Have been home from hospital for two weeks & still feel like I've just been hit by a "Mac truck".

I'm afraid our family history is not very interesting. We are rather dull people.

Harold and I went to school

together. — Graduated from Pawnee City, Nebraska Hi. school in 1933 and were married in Seneca Kansas July 6, 1934. — Harold has always been in the merchandising business. Worked as ass't manager of a Ben Franklin store until 1937 when we moved to Stromsburg Neb. and Harold managed a Ben Franklin store there.

Harold was Classified 4F due to Severe asthma so we moved to Chicago where he worked in a factory (Crane Co.) making parts for the atomic bomb. After the war Harold went to work for Goldblatt Bros. They are a chain of department stores, having 39 full department stores and two Home Centers. Harold worked his way up among the ranks until he became buyer of drugs, toiletries and personal care items for 39 stores Which job he held for 19 years. After a long + complicated illness Harold felt that he could no longer cope with the responsibility + strain of that job so he took a job, for the same company, selling carpet in one of their home centers which is only about a fifteen minute drive from where we live. He works on commission so his income depends upon how hard he wants to work. He can retire at any time but can't decide if he wants to or not.

We sold our home in Chicago in 65 and bought a 10 room home in Lisle. My Mother + Father lived with us for eight years, until they passed away.

After Harolds illness we sold the house in Lisle and bought a Condo in Downers Grove. We like it very much. Our Children and grandchildren are all close so we are very fortunate to be near our family.

I believe my Cousin Eula Ree Merwin of Lincoln, Neb. was a member of the Association. Were you notified that she passed away on Dec. 2, 1980 at the age of 87. — Her father Edwin & my father Stephen were brothers.

Our Best Regards

Dear Lucille:

Enclosed is the final draft of your entry for the Supplement.

I wrote to each of your children on March 3rd asking them to join our association, but, to date, I have received no reply. I must assume, therefore, that they are not interested in having their families in the Supplement. All persons not born Merwin (in name) must be members to have their families included. Otherwise, I can show only their names and dates of birth. I wanted you to realize this so there is no disappointment when the book is published.

Best regards,
Merwyn

Dear Lucille;

Thank you for the complete information about you fine, large family.

I have written your children and given them an opportunity to have their families in the Supplement.

Thank you, too, for the information about your cousin Eula's death. Explains why I got no answer to my letters to her.

Could you give me the proper address for her brother Edwin Lawrence Merwin? Or the addresses of any of his children? Can't seem to get info on that family.

Best regards,

Merwyn

Dear Cousin:

I am writing a supplement to the Merwin Family in North America and I have been trying to locate you to give you an opportunity to up-date your family record. Letters to you in Chicago and Lisle came back as undeliverable. I had about dispaired, but Friday night I managed to get Alvira Merwin in Cheyenne on the phone. She then gave me your address.

Will you please complete your family record sheet in as much detail as possible and pass your children's forms on to them for completion and return to me. Also, please give me a short biography of you and your husband.

Best regards,
Merwyn

P.S. Alvira is nice!

Dear Cousin:

I am writing a supplement to the Merwin Family in North America and attempting to trace down every Merwin I can find to do the job.

On Friday evening, I finally got Alvira Merwin's phone number from information and she was kind enough to give me your and your sister's addresses.

Now that I have found you, please fill out the enclosed family record sheet in as much detail as possible. Please forward your son's sheet to him and ask him to complete and return the form to me.

I also need a brief biography of you and your husband.

Best regards,
Merwyn

Dear Cousin:

Enclosed is a rough draft of your family entry for the supplement to The Merwin Family in North America. Your mother gave me this information. Please make any needed correction.

I also need answers to these questions:

1) Where (city + state) were your children born?
2) Where was Kathy born?
3) What is Kathy's mother's name in full?
4) " " " father's name " "?

May I have a short biography of you?

To have your family in the supplement, you must become a member of our association. The annual dues are only $2.00 for your family. Please send me a check payable to Miles Merwin Assn.

Best regards,
Merwyn

Rev. Dr. Sandra M. Reed

Death is nothing at all; I have only slipped away into the next room. I am I, and you are you; whatever we were to each other, that we still are. Call me by my old familiar name, speak to me in the easy way you always used. Put no difference into your tone, wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes we enjoyed together. Play, smile, think of me, pray for me. Life means all that it ever meant. It is the same as it always was; there is absolutely unbroken continuity. I am but waiting for you, for an interval, somewhere very near, just around the corner...All is well.

Dear Cousins:

Yesterday I received from our secretary your reply to my letter of Sept. 18th asking for your biography.

I was disappointed in that I did not receive your membership dues because, as I wrote you, I can not record your family in the supplement unless you are a member. Perhaps you sent the check, but the secretary didn't tell me. Did you send it?

To answer your question, there are at least three living Merwin ministers and several missionaries, but no priests to my knowledge.

Best regards,

Merwyn

Dear Sir,

At this time I can not send you any corrections or additions to our family genealogy. We are at our summer home in Maine and I do not have the information available.

However when I return to Naples, Florida the middle of October, I will be happy to do so, if it isn't too late for the new supplement.

Sincerely yours
Marjorie M Simons

Dear Mr. Simons:

Enclosed is a copy of the draft of your family entry to go into the supplement to the *Merwin Family in North America*. Your mother gave me this data. Make any change you wish and please add a short biography.

I must ask you to join our association. This is required for each family to be included in the supplement when the family head was not born a Merwin. The dues are *but* $2.00 per year for your family. (Check payable to Miles Merwin Assn.). We would be delighted to have you.

Sincerely,

Merwyn

Dear Mrs. Harvey:

Your mother gave me the enclosed information about you and your family.

Would you please review it to make certain I understood everything she said and give me any corrections you wish. We would also like a brief biography of you and your husband.

All of this data is for a supplement we are writing to the *Merwin Family in North America*. Also enclosed are family record sheets for each of your children.

Because you, like me, were not born with the Merwin surname, you must become a member of our association to be included in the supplement. The dues are only $2.00/year (check payable to Miles Merwin Assn.).

The same applies to each of your children. Their families can be included only if they are members. Will you please pass their record sheets on to your children so they may complete them and return them to me? We will be delighted to have all of you.

Sincerely,

Merwyn

Dear Cousin Roy:

The advertisement for *The World book of Merwins* (enclosed) you sent to me does not say it is a genealogy of our family be it infers it. There are a number of outfits publishing these things and they are all scams. I know for a fact that there is no one by the name of Webster C. Merwin. This is a name used to make you think you are dealing with your own family and that this is some kind of genealogy. Of course, if all you want is a listing of names and addresses of Merwins from phone directories and other sources, it might be useful for that. The topics listed are things you can get from any library and we now know that Miles$^1$ did not come over to America in 1630. So, to me the book is worthless. A couple of these outfits have been successfully sued for misrepresentation. Curiously, a couple of them are located in Ohio. → 9-28-87

As for additional information on your immediate family, you gave me an update on 20 May 1994. showing your marriage to Cecilia. I wrote Minda on 8 February 1944 asking for her family update and asking whether she would care to join our Association. I never got a reply. Maureen gave me an update on 5 March 1994, but failed to give me the date of her marriage. Brock gave me an update on 25 Jul 1995. Enclosed is a Merwin Family Record sheet for any of your children who want to update. Please make photocopies if necessary.

The Directors are concerned about the future of the Association since the long term members are getting a bit long in the tooth. We must, in some way encourage our children to take an interest if the Association is to continue in the future. I persuaded my daughter to join and she is taking quite an interest. In fact she and I are taking the Merwin ancestry tour of England next May.

Perhaps you could encourage one of your children to join.

My best to you and yours this holiday season.

Dear Merwyn

I sent your form to Minda, Maureen and Brock to fill out. Hope they do that.

Mr. Roy L. Merwin
518 Hawkins Rd.
Fenton MO 63026

Dear Cousin Roy:

Congratulations on your marriage. A notice will be placed in the next Milestones.

Will you please ask Cecilia to complete the enclosed Merwin Family Record sheet? We will then have information needed for our genealogical records.

The listing of your relations is much appreciated.

WE ordinarily maintain just one address for a member. I am sure you have set up forwarding instructions with the post office. Two addresses leads to duplicate mailings. For this reason we avoid carrying more than one address. We normally use the winter address. Let me know which you care to use.

Best regards,

Merwyn R. Buchanan

Anna Mary (Rilling) Somers was named Mary for her fathers's mother and Anna for her mother. Ann Parsons Budd Vanaman, grandmother of Anna Mary Rilling Somers, who "took me under her wing until she passed on the year I was married - 1890". Philip J. Rilling came to America from Germany when "a mere boy". He returned home only once to visit his mother. Mame Somers and her brother received legacies from the family in Germany in several small amounts before World War I. Frederick Lambiere Somers had a sister Emily Somers who married one Millard Roberts who, with his brother, owned and operated American Dredging Company. The company removed islands from the Delaware River and did dredging in the Chesapeake Bay. Frederick began working for the company when he was first married (1890). In 1898, he was crushed between a barge and a dock while jumping from the barge to the dock on the Delaware River when a paddlewheel steamer went by. He died in a Philadelphia hospital. He earned his captain's license at the earliest legal age, and at one time was captian of a four masted schooner. Mame went to South Jersey Institute where she met many wealthy pople (Leeds, McCann's, etc.). After her husband's death, Mame was left with three small children and no income. She worked for a time as a governess for a wealthy family. She then operated an apartment house called Surrey Apartments on Surrey Avenue, Ventnor, Atlantic County, NJ. Later she was employed as supervisor of the Linen Department of the Chalfont Haddon Hall Hotel (owned by the Leeds family) in Atlantic City, NJ. She worked there from sometime in the 1920s until she was about 80 years old, in the late 1940s. She made many hand-stitched silk lampshades for the hotel.

(From a letter written by Mame Somers to her grandaughter, Gracemary Somers Westing Major, about 1946; Midge Westing Lisles' notes on the family furnished by Ralph Westing, Jr. April 1992; 1920 US Census, Atlantic County, NJ, Vol.3, ED56, D11, L95).

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Dear Mrs Clobes:

As you know, there is a rule that we can not show the families of persons not born a Merwin in the Supplement unless they are members of the Association.

Accordingly, I may not include the family of your daughter Melverne because she has not joined. Enclosed is the entry as it will be.

I did not want you to be disappointed when the Supplement is published. Or surprised.

Sincerely,

Dear Richard:

Thank you for your help on the phone the other night.

Enclosed is a copy of your entry in MFNA. (I assume you have the book or have seen it). Your entry seems quite complete unless one or two of your children have married. Enclosed is a blank record form. If one of your children is married, please have him fill it out.

We could improve on your biography. Say, tell me where you went to school, degrees earned (if any), are you still a toy buyer for Thermo-King? What did you do in the Navy? Grade or rank? Years: from-to dates?

Best regards,

Merwyn

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

Last year I sent you a copy of your family entry as shown in The Merwin Family in North America. To date, I have had no reply.

Your entry seems to be quite complete unless one or both of your children are married now. Are they?

If I do not hear from you shortly, I shall assume that 1) neither of your children are married and 2) you approve of the entry as is. I shall then use your entry as it is for the Supplement.

Mr. Merwyn Buchanan
Miles Merwin Assoc.

Dear Merwyn,

We were glad to hear all the cartons arrived. At the rate I went this fall, they could have easily been mixed in with the Christmas rush.

Your suggestion on the 3×5 cards is a good one and will keep us in shopping lists for a long time.

I must have misplaced your letter on "corrections & additions." I checked the book and the information there is correct for our family.

Good luck on the project, Merry Christmas & a Happy New Year to you & your family.

Richard & Janice & family

Saturday the 22nd

1980

Dear Mr. Buchanan,

We have just mailed you nine boxes, via parcel post, of the merwin geneology materials. the Post Office said it should take about a week to arrive - most likely more.

Doris Merwin sent me a check to cover the cost of mailing due to the size.

I have enclosed a few of these 3x5 cards with names and birth dates to see if they are of any use. I thought at first all this is in the book - but can they be thrown or do you want them? None seem to have any other info. on them and there are several hundred. I guess about 30 lbs or 6 or 7 shoe boxes in size.

This is the end of the records we have here and I do not

think that mother has any in Texas. We wish you well with the ongoing project and look forward to the final chapters.

Sincerely,

Richard Merwin

Dear Richard:

Thank you for your letter of Nov: 22nd saying you have shipped the genealogical files.

The 3×5 cards are useless. I have a few hundreds of similar cards which Mrs. Crawford sent me. These are also useless except we use the reverse side for notes and lists for the store. They come in handy that way.

The project is going well. Haven't received a reply to my note to you asking for corrections + additions. Is your family entry right as is?

However, unless I hear from you shortly, I'll assume you are disinterested and put your entry in the Supplement unchanged.

Dear Cousins:

Enclosed is the draft of your family entry for the supplement to the *Merwin Family in North America.*

Will you please fill in the blanks on the entry.

We are following the latest genealogical practice of carrying on the line of adopted children. In doing so, we are required to show the names of the natural parents. Accordingly, please fill in Ronald's father's full name, his date and place of birth (city + state) and Ronald's grandparents' names (including his grandmother's maiden name.

Make any change you wish in the biography and any correction required.

Incidentally, we would like to have you join our association. The annual dues are a mere $2.00 (check payable to Miles Merwin Assn.) and that covers you both and your unmarried children.

Best regards,
Merwyn

For the past several weeks, we have been sending Merwin Family Record forms to all tenth generation Merwins shown in the index of the *Merwin Family in North America*. These forms are sent in an effort to rewrite the tenth generation chapter and add the eleventh, twelfth and thirteenth generations in a supplement to MFNA.

We have found certain persons on our mailing list who are members of our association but we can not find their names in MFNA. You are one of those people. Will you please fill out the blank record form enclosed and return it to me. Show your line back to a MERWIN in MFNA or back to MILES' MERWIN.

We are determined to list all members of the association in the supplement. Please help by making your reply as complete as possible.

Sincerely yours,

Merwyn

Dear Laurel + Marion:

It was good to hear from you and also to learn that you became grandparents - lucky you.

Enclosed is a very rough draft of Anne's family entry for the supplement. Will you please ask her to review it, enter her full address and give me any revision she wishes made.

Also, how about suggesting to her that she join our association W? As you know, the dues are quite modest and we need to keep the organization growing.

Hope to see you at the next reunion.

Dear Craig:

Thank you for your letter dated 30 June. The additional detail about Helena May Andrew is much appreciated.

Enclosed are two correcting entries which now, I believe, give the complete information on the James Dwight Merwins and the Theron Hull Merwins except for the date and place of death of Helena May Andrews Merwin. I thought it might be helpful to us to summarize this data.

Hope you succeed with the Oak Grove Cemetery.

p.166 II (4693). Theron Hull[10] Merwin b. 19 Sep 1906; d. 10 Dec 1988 in Bradenton, FL, a son of Harry Marshall & Florence Melissa (Hull) Merwin. On 4 Jun 1928 in West Haven, CT, mar. Helen Andrew[9] Merwin [MFNA 3613] b. 20 Apr 1905 in West Haven; d. 10 Dec 1988 in Bradenton, FL, a dau. of James Dwight & Helena M. (Andrew) Merwin. They had no children.
Both Theron and his wife, Helen, were found dead 10 Dec 1988 in their apartment. Police reports strongly suggest a murder-suicide pact (i.e., they decided to take their lives and Theron shot his wife just before killing himself). Their attorney, Jack M. Windt filed a petition for administration of their estate on 27 Dec 1988. The Merwins had identical wills dated 23 Feb 1987 which left their estates to their respective surviving spouse, and, in the event the spouse was dead, to the Masonic Home in Wallingford, CT, and these three friends: Miss Iris Southworth of Fern Park, FL, Mrs. Stewart Anderson of Las Vegas, NV, and Mrs. Margaret Morton of Sarasota, FL. The Merwins were fifth cousins once removed and shared a common ancestor in Miles[3] Merwin.

Dear Merwyn:

A cousin of mine, Elizabeth Schmecker, has been helping me out with the Andrew family genealogy and she turned up more information on Helena (Andrew) Merwin, wife of James Dwight Merwin.

Helena May Andrew was born 4 March 1879 Oxford, Connecticut, the daughter of George and Sarah A. (Crandall) Andrew.

We still don't know when she and James married, nor when she died. I wrote Oak Grove Cemetary in West Haven in late April to see if she's buried there and have not yet heard back. If I hear anything, I'll let you know.

Best wishes for a pleasant summer!

Dear Mr Buchanan:

Thank you for your letter of 20 May regarding HELEN ANDREW(S) MERWIN (Mrs. Theron Hull Merwin). Based on your information, I was able to find news of her in Bradenton, Florida. Unfortunately, the news is that she passed away on 12/10/88 - this from the clerk of the Manatee County probate office citing ~~the~~ a probate file for Helen A. Merwin (case # 89-40).

I plan to order excerpts from the probate file and probably her death certificate as well to confirm the identification. I'll forward copies to you as well.

Best wishes,

Dear Mrs. Merwin:

In 1981, you provided information about yourself and your husband for use in Volume II of The Merwin Family in North America which was published in 1983.

In the first volume, which was published in 1978, we show that your father, James Dwight Merwin died in 1901. This is obviously a mistake since you were born in 1905. Could you please give me the correct date of his death and where he was buried (name and location of the cemetery)? I will appreciate it.

Best regards,

Dear Mr. Partridge:

Your letter to Charles Merwin was forwarded to me for research and reply.

Here are the answers to your two questions as best we can give them to you.

1) When did James Dwight Merwin (MFNA 2396) die?
As you pointed out, Volume I of The Merwin Family in North America states he died in 1901. This is an obvious error, but the only information we have. It is not a typographical error in printing the book. Our underlying records show 1901.

2) What became of Mrs. Theron Hull (Helen Andrews) Merwin? The last contact we had with her was on 2 March 1981. At that time, she was living at DeSoto Towers, 1523-6th Avenue W. 203, Bradenton FL 33505, as shown in Vol. II on page 166 of MFNA. If she is still living, she must be 86 years of age.

I hope this address is of some help to you. If you do contact her, we would be interested in knowing so that we could get the correct date of her father's death.

Best regards and good luck with the Andrews family history.

Dear Mr. Merwin:

I'm writing to see if ~~you~~ you or another member of the Merwin family can help me with a couple of genealogical questions.

I'm in the later stages of compiling a genealogy of the Andrew family of Milford (descendants of Rev. Samuel Andrew). As you may be aware, the Andrew + Merwin families inter married quite a bit. The questions I have are about one of those marriages.

James Dwight Merwin (#2396) married Helena M. Andrew. I believe Helena is the daughter of George Andrew. ~~whose~~

To help me clarify this relationship I need to answer two questions I thought ~~as~~ someone in the Merwin family might be able to answer:

(1) when did James D. Merwin die? The printed genealogy says 1901 but that must be wrong as his daughter was born in '05, and he was informant on his father-in-law's death certificate in '07.

(2) What became of his daughter Helen Andrew Merwin (#3613) m. Theron Hull Merwin (#4693). In 1974 they were in Sarasota FL but are no longer there.

Thanks very much for your help. I've enclosed a postage-paid envelope for your reply.

Sincerely,

Craig Partridge

I have a couple remaining questions.

1) Where (city + state) were your children born?
2) Does your son, Robert, live at home with you?

I'd also appreciate a brief biography of you and your husband – schools, degrees, occupations, employers, church, military or civic service.

Dear Cousin:

Thank you for your reply dated 11 March to my previous letters.

Enclosed are drafts of entries for Volume III taken from the obituaries you sent me.

I am surprised that you never bought Volume II. That is where your immediate family is reported - your husband and son and biographies. enclosed is an order form so that you may purchase it for your library.

Did your son, Andrew, marry? If you would like to include a brief biography of him in Vol. III, send me the info.

Volume III is scheduled to be published in 1990. Don't know whether I will make that, but it will be no earlier than next year.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

So sorry that I have been so slow to update my family record. As often happens, I find that my records are not as complete as I had thought, but I will send you what little I have, as well as the three enclosed obituaries. One is for my father, Laurence Merwin, who died in 1984, and for his sister Esther, who died in 1987. The other one is for his sister-in-law, Evelyn, died in 1985, and was wife of his brother, Henry Chester Merwin.

The two without dates are his brother Ernest, and wife Myrtle. I believe she died in 1983 but could not find record.

One other note, I do not have a copy of Vol. II of The Merwin Family of North America, so am not aware of what info is available there. If Vol. III updates the Vol. II, then I suppose it would be necessary for me to buy only the Vol. III. Please let me know when Vol. III will be available.

Here is my update to Vol. I:

p. 784, Vol. I.
3687 Henry Chester Merwin--wife, Evelyn P. Merwin b. 1898, died, Jan. 2, 1985,(obit enc.)

p.785, Vol. I
3689. Laurence Newton Merwin- born Mar. 19, 1898, died Dec. 15, 1984,(obit. enclosed.)

3691. Esther Lucille Merwin (Goettling)-born Feb. 2, 1909, died Nov. 17, 1987, in Burbank, Calif.,(obit. enc.)

I will try to get the dates on his brother Ernest, but don't know if can get it in time for the new volume.

Sincerely,

Sandra

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Dear Sandra:

Thank you for your letter of January 4th. The William Stanley Merwin—the poet—is known to us. He is not a descendant of Miles' Merwin. In fact his family name was originally spelled Merwine. But thank you for trying to helpful. We are always looking for "undiscovered" Merwins. In fact, I would appreciate your checking the Phoenix and nearby phone books for Merwins. List the names, addresses and phone numbers of any you find and I'll contact them if we do not have them on our records. OK?

Best regards,
Merwyn

PS: Please let me know when your father moves to Phoenix so we can change our records.

Dear Mr. Buchanan:

As you requested in your letter of Dec. 17, 1980, I am enclosing a brief biography of myself and my husband.

Max Ellis Grigg, b. Nov. 27, 1938, in Gastonia, North Carolina. He attended schools in Gastonia, and graduated from Gaston Technical College, 1959. He has been employed by General Electric Company, for 22 yrs., as engineer and salesman. Some of his hobbies are flying, photography, and jewelry making.

Sandra Jean Grigg, b. Oct. 16, 1949, in Holdrege, Nebr, attended schools in Nebr., Kans, and Arizona. She attended Friends University, and Wichita,Business College in Wichita, Kansas, and was an executive secretary for General Electric Company before her marriage. Some of her hobbies are drawing and painting, bicycling, and playing piano and organ.

The obituary for Helen G. Merwin, my mother, is correct as written.

I also would like to add the name of William Stanley Merwin to your list of relatives. I was not able to find him listed in the family genealogy book. I happened to notice a picture of him in the newspaper in the early 1960's. He was born in New York City, 1927, and grew up in Union City, New Jersey. He is a writer and poet who worked as a tutor 1949-51 in France, Portugal, and Majorca. In 1974 hewas awarded The Fellowship of the Academy of American Poets, and I believe he also received the Pulitzer Prize either that year or 1970. One famous book of prose was "Houses and Travellers", and book of poetry, "The Carrier of Ladders", 1970. Many of his books are available through the libraries.

Please excuse the typographical errors, this typewriter needs repairs.

Sincerely,

Mrs. Sandra Grigg

Dear Cousin:

Thank you for the information you recently sent me.

I want you to understand that I can not include Terry's family since he has not become a member of our association. Although I asked you twice for his address, I did not get it. On two occasions, I pointed out to you that he must be a member to have his family included. If he now wants to join, have him send me a check payable to Miles Merwin Assn. for $9.00 and I must receive it by October 15th. Last chance.

Best regards,

Merwyn

Dear Cousin:

I have written Shelley asking if she wishes to join our association so we may include her family in the Supplement.

You did not give me Terry's address. Please tell him I must have his dues by January 15th if he wishes to have his family in the book. I also need the place where his wife was born (city + state).

When I talked to you on the phone in September, you said you would get me your sister Maryanne's address. I am anxious to include her family in the Supplement.

Your help is much appreciated.

Sincerely,
Merwyn

Dear Cousin:

In my letter of Jan. 12, 1981, I asked you for Terry's address so I could ask him to join the association and have his family in the Supplement. Will you please give me his address?

When you and I talked on the phone you said you would send me Maryanne's address when she got settled. May I have it?

I wrote your daughter on Jan. 12, 1981 asking her to join the association. I'm now going to assume she is not interested and show just her name and date of birth – not her family.

Also, we would like the place of birth of Judith Harrel Buol and a brief biography of you and Martin.

Your help will be much appreciated.

Sincerely,

Merwyn

Dear Cousin:

Many thanks for your family records sheets. They were well done - I just need Judith Harrel Buol's place (city + state) of birth.

We would appreciate a short biography of you and Martin - schools, degrees, occupations, employers, church, military or civic service, etc.

One other thing. Please give me Terry present address.

Enclosed is a copy of Milestones the newsletter we send to members periodically. If you would care to join the association, just send me a check for #2.00 (annual dues) payable to Miles Merwin Assn.

Best regards,

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn
